About Us

RMPV Computer Education & Technology is an initiative Program of RMPV Education (India) Private Limited which is registered under the Ministry of Corporate Affairs Govt. of India (New Delhi), working its different fields of program and skill development like computer education, yoga education and vocational Training.

Our Mission

To train students from every nook and corner, prioritizing the rural area, a technology based training to earn their livelihood. The training program would be constantly reviewed and revised to meet the skill that the industries are in need today.

Our Vision

A world class education institute having global standard in the emerging areas by implementing technological training to develop a person to face tough competitive environment. Promoting younger generation towards prosperity to create a prosperous Nation, to emerge as.

Desk from the Director

Dear Students, Aspiring Entrepreneurs, and Esteemed Partners, At RMPV Computer Education and Technology, we have always believed in the transformative power of education, particularly in the dynamic and ever-growing field of computer technology. In today's world, digital literacy and technical skills are no longer just an advantage – they are essential for success. Our mission is to empower individuals with the knowledge and skills necessary to excel in this fast-paced digital age.

Through our comprehensive and up-to-date training programs, we aim to provide students with a robust foundation in computer education and skill development. Our approach combines theory with practical, hands-on experience, ensuring that each learner is equipped to thrive in a wide range of t e c h - d r i v e n i n d u s t r i e s .

This initiative allows us to expand our reach, offering high-quality computer training and skill development opportunities to students across different regions. If you share our passion for education and technology, we invite you to partner with us by opening a franchise. Together, we can make a significant impact by offering accessible, industry-relevant courses and helping more students a c h i e v e t h e i r p o t e n t i a l .

The future is digital, and at RMPV, we are committed to preparing individuals for the exciting opportunities it holds. Our franchising model is designed to not only bring our innovative educational programs to new communities but also to provide aspiring entrepreneurs with a rewarding opportunity to contribute to the growth of t e c h n o l o g y e d u c a t i o n .

I invite you to join us on this exciting journey, whether as a student, a partner, or a franchise owner. Together, we can create a brighter future where knowledge and innovation drive success. Thank you for your trust and support.

Sincerely,

DEVENDRA SINGH

(Managing Director)
